Program Goals

- **Increase Visibility:** Help sponsors enhance their brand recognition within the plumbing engineering community?
- **Build Relationships:** Foster connections between local businesses and chapter members?
- **Support Educational Initiatives:** Use sponsorship funds to support training, workshops, and community outreach within the plumbing engineering industry?

How to Become a Sponsor

- Interested businesses or individuals can reach out to Angie Mendica angie@mendica@bernhardt.com | 314-550-8744 to discuss sponsorship opportunities and tailor a package to meet their needs?
- Sponsorship packages available for purchase at www.aspestl.org

Annual Events Include:

9 General Meetings w/ CEU

5 Social Events (1 WOA, 1 AYP, 1 Clay Shoot, 1 Member Appreciation, 1 Golf Tournament)

This tiered sponsorship program aims to provide flexible options for supportive businesses while enhancing the chapter's ability to serve its members and the community?By engaging sponsors at various levels, the chapter can create a vibrant network that benefits everyone involved?
